**Appendices                   (available at the Guemes Island Library)**

Appendix A	Written Survey Results
Appendix B	Rapid Shoreline Inventory Report
Appendix C	Resolution 20040393; recognizing the Ferry Committee and establishing the Ferry Roundtable
Appendix D	Crossing Over Report
Appendix E	Resolution 20030074; Guemes Island Ferry Schedule and Fare Task Force
Appendix F	2004 Fare and Schedule Proposed Package
Appendix G	Resolution 20040051; Approval Task Force Recommendations
Appendix H	Plan Policy Recommendations by Lead Entity
Appendix I	Shoreline Master Program Element. Draft November, 2005

## Figures and Tables

1.1	USGS topographic map .....	9
2.1	Present and potential development on Guemes Island .....	14
2.2	Parks, open space, and conservation lands .....	19
2.3	Zoning map – land use designations .....	20
2.4	Location of buildings and growth chart .....	21
2.5	Distribution of local and non-local property owners .....	22
4.1	Land cover .....	35
4.2	Wetlands .....	36
4.3	Hydrology .....	37
4.4	NWI wetlands and hydric soils .....	38
4.5	Extent and thickness of Vashon aquifer .....	39
4.6	Well chloride levels .....	40
4.7	Well drilling permit areas .....	41
4.8	Public water systems .....	42
4.9	Tsunami inundation areas .....	43
4.10	Soil erosion areas.....	44
5.1	Rapid shoreline inventory.....	56
5.2	Current shoreline environmental designations on Guemes Island.....	57
5.3	Current shoreline designations.....	58
5.4	Shoreline public access.....	59
5.5	Current shoreline development standards.....	60
5.6	Shoreline modifications.....	61
5.7	Proposed shoreline designations.....	62
5.8	Descriptions of proposed shoreline designations .....	63
5.9	Recommended shoreline residential development standards.....	64
5.10	Rapid shoreline inventory recommendations .....	65
5.11	Side yard setback illustration .....	65
6.1	Transportation levels of service standards.....	79
6.2	Ferry ridership from 1980 projected to 2015.....	80
6.3	Road designations.....	81
6.4	Road signage.....	82
6.5	Road Map.....	83
6.6	Ferry parking plan.....	84
