

SKAGIT COUNTY PLANNING & DEVELOPMENT SERVICES NOTICE OF DEVELOPMENT APPLICATION

File # BP04-1604

Notice is hereby given that on November 29, 2004, Calendar Construction submitted an application for a Grading Permit (BP04-1604), to import and place 225,000 cubic yards of fill at the subject site including the placement of 4,000 cubic yards of broken concrete. The fill will be utilized to complete surface gravel mining reclamation at the subject site. The sources of the fill material and broken concrete include the Bow Hill Mill site, Harris Square (Bellingham), The Tri County Truss (Port of Skagit County), Alger Storage, and the Washington Department of Transportation Highway 20 project. This project proposal is being reviewed under the provisions of SCC 14, Skagit County's Unified Development Code. For additional information contact the County.

The subject site is located at 16081 Tulip Lane, Bow, Washington. The proposed improvements are located within a portion of Section 26, Township 36 North, Range 3 east, W.M., Skagit County, WA (parcels P48288, P108007, P108020, P48287).

The application and all pertinent information is available for review in the Skagit County Planning & Development Services, 1800 Continental Place, Mount Vernon, WA 98273 (360) 336-9410.

Other permits that may be necessary in the development of the project but not included in the above noted application may include reclamation plan revisions, inert waste permits and/or building permits.

A decision on the application will be made within 120 days of the date the application was deemed complete, which was February 25, 2005 unless such time period is extended consistent with RCW 36.70B.090.

Any person desiring to express his or her views or be notified of the action taken on this application should notify John Cooper, Natural Resource Planner/Geologist, in writing of his or her interest within fifteen (15) days of the date of publication of this notice which is March 3, 2005. Written comments must be received by 4:30 p.m. March 18, 2005.
