

NOTICE OF DECISION

Shoreline Substantial Development/Variance Application PL16-0888 for AI Project LLC

On August 4, 2017, the Skagit County Hearing Examiner approved, with conditions, a shoreline substantial development/variance application to replace the existing dock, ramp, moorage float, and breakwater with a new elevated dock, ramp, and combined moorage/breakwater float.

On August 24, 2017, the Department of Ecology issued its decision on the shoreline substantial development/variance application, for the proposed project. A copy of that decision can be obtained from the Skagit County Department of Planning and Development Services.

This decision may be appealed to the Shoreline Hearings Board within 21 days of the date of the Ecology decision. Appeals must be filed in accordance with the provisions of WAC 461-08.

Applicant: AI Project, LLC

The proposed project is located on the east side of Allan Island, within and adjacent to Burrows Bay west of Anacortes, Washington, within a portion of Section 4, Township 34 North, Range 1 East, W.M., Skagit County, Washington. P19075, P19076, and P19077.

The Notice of Decision shall be forwarded to parties of record, the applicant and other applicable parties of interest.
