

**SKAGIT COUNTY PLANNING AND DEVELOPMENT SERVICES
NOTICE OF DEVELOPMENT APPLICATION AND SEPA COMMENT PERIOD**

For
Skagit County Public Works
File # **PL17-0283**

Notice is hereby given that on May 22, 2017, Skagit County Public Works filed an independent State Environmental Policy Act (SEPA) checklist #PL17-0283 for the removal of approximately 900 cubic yards of accumulated sediment from the Warner Creek Sediment Pond. The excavated material will be placed and graded along the existing access road. The proposed project is located within the Agricultural Natural Resource Lands zoning/comprehensive plan designated areas as indicated in the Skagit County Comprehensive Plan and associated maps adopted July 5, 2016 and as thereafter amended. A letter of completeness was not issued and the application was determined to be complete for review purposes on June 6, 2017.

The project is located north of 22357 Prairie Road, Sedro-Woolley, within a portion of Section 26, Township 36N, Range 4E W.M., situated within Skagit County, Washington.

A completed Environmental Checklist, site plan, and other application materials are on file with Skagit County Planning and Development Services. This information is available to the public on request. No other governmental approvals or permits will be required for this proposal from Skagit County Planning and Development Services.

A decision on the application will be made within 120 days of the date the application was determined complete, which was 6-6-17. A public hearing before the Skagit County Hearing Examiner is not required for this project. Any person desiring to express his or her views or to be notified of the action taken on this application should notify Brandon Black in writing of his or her interest within Fifteen (15) days of the date of publication of this notice which is 6-8-17. Failure to respond within the comment period could result in loss of the right to appeal. The file can be viewed at Planning and Development Services which is located at the Continental Place address listed below.

Written comments must be received no later than 4:30 pm on: **June 23, 2017**

Email correspondence will not be accepted, however, comments may be submitted via the PDS website under the "current legal notices" tab. (www.skagitcounty.net/pdscomments)

The Lead Agency expects to issue a DNS for this proposal and the Optional DNS process is being used (WAC 197-11-355). **This may be the only opportunity to comment on the environmental impacts of the proposal.**
