SKAGIT COUNTY PLANNING AND DEVELOPMENT SERVICES NOTICE OF DEVELOPMENT APPLICATION File # PL17-0526

Notice is hereby given that on September 28, 2017, Robert & Priscilla McElhose filed a critical areas variance application to reduce the standard 150-foot buffer on a Type F stream to approximately 40 feet and to reduce the standard 100-foot buffer on Lake Cavanaugh to approximately 60 feet. The requested reductions will allow construction of a 644 square foot addition to an existing single-family residence.

A letter of completeness was issued on October 6, 2017.

The proposed project is located within a portion of the property described as parcel number P63340. The site is located at 34120 North Shore Drive on Lake Cavanaugh.

The full application for this proposal is on file with Skagit County Planning and Development Services (PDS), and will be reviewed under the provisions of Skagit County Code (SCC). This information is available to the public on request. Other permits that may be necessary in the development of the project but are not included in this application include : building permit.

A decision on the application will be made within 120 days of the date the application is determined to be complete pursuant to SCC 14.06.210.

Any person desiring to comment on or to be notified of the decision on this application should notify PDS in writing within fifteen days of the date of publication of this notice. Failure to respond within the comment period could result in loss of the right to appeal. Skagit County accepts comments online only through the form at <u>www.skagitcounty.net/pdscomments</u>. To ensure comments are received and processed properly, comments are not accepted via email.

Written comments must be received by 4:30 pm, October 27, 2017.
