

**SKAGIT COUNTY PLANNING AND DEVELOPMENT SERVICES
NOTICE OF DEVELOPMENT APPLICATION**

File # PL18-0515

Notice is hereby given that on October 10, 2018, Chris Barker of Edison Investments LLC filed an administrative critical areas variance application to reduce the standard 300 foot buffer on an estuarine wetland to 150 feet to accommodate installation of a septic drainfield and process water drainfield.

A letter of completeness was issued on October 26, 2018.

The proposed project is located within a portion of the property described as parcel numbers P72950, P72960, P48533, and P48534. The site is located at 5712 Gilkey Avenue in Edison, WA.

The full application for this proposal is on file with Skagit County Planning and Development Services (PDS), and will be reviewed under the provisions of Skagit County Code (SCC). This information is available to the public on request. Other permits that may be necessary in the development of the project but are not included in this application include septic, building, and floodplain development permits.

A decision on the application will be made within 120 days of the date the application is determined to be complete pursuant to SCC 14.06.210.

Any person desiring to comment on or to be notified of the decision on this application should notify PDS in writing within fifteen days of the date of publication of this notice. Failure to respond within the comment period could result in loss of the right to appeal. Skagit County accepts comments online only through the form at www.skagitcounty.net/pdscomments. To ensure comments are received and processed properly, comments are not accepted via email.

Written comments must be received by 4:30 pm, November 16, 2018.
