

NOTICE OF DECISION

Shoreline Substantial Development and Conditional Use Permit Application PL18-0544 for Washington State Department of Transportation

On March 11, 2019, the Skagit County Hearing Examiner approved, with conditions, a shoreline substantial development and conditional use permit application for the construction of a long-term bank stabilization project. The proposed work will supplement and fortify a series of rock groins installed in 2007. It includes a gravity anchored cribwall and log-toe revetment along approximately 480 linear feet of the Sauk River.

On April 18, 2019, the Department of Ecology issued its decision on the shoreline permit. A copy of that decision can be obtained from the Skagit County Department of Planning and Development Services.

This decision may be appealed to the Shoreline Hearings Board within 21 days of the date of the Ecology decision. Appeals must be filed in accordance with the provisions of WAC 461-08.

Applicant: Washington State Department of Transportation

The proposed project is located adjacent to SR530 between milepost 55.68 and 55.91, west of the Sauk River, within the NW $\frac{1}{4}$ of Section 20 and the SW $\frac{1}{4}$ of Section 17, Township 33 North, Range 10 East, W.M., Skagit County, Washington. P18704, P107337.

The Notice of Decision shall be forwarded to parties of record, the applicant and other applicable parties of interest.
