

To Commissioners,

My name is Charlie Lundgren and my address is 16645 Dike Road. My Grandmother resides across the street at 16638 Dike Rd.

She has lived at that address since 1947. Currently she owns 15 acres on the town side of the dike and approximately five on the river side, as well as the dike itself.

To put a trail on the dike would be like stealing away her land. There would be no benefit to any land owner along Dike Road, only misery. We would have to expect Burglary, vandalism, and littering to become an everyday part of life. If that is the way we wanted to live then we would move into a large city.

Everyone knows that there needs to be places for trails and parks, but this is no way to go about it. **NO** landowners were notified of this proposal. If we wish to do anything on ~~our~~ our land we must go through a lot of hoops, permits, and laws. Why is the county not held at the same standards. **IT IS PRIVATE LAND NOT PUBLIC!!**

I sure hope you all can see and understand how we all feel on Dike Rd. Please vote no on this proposal.
