Sunday August 12 starting at 10:30 am at
Alger Community Hall
17835 Parkview Lane, Burlington (Alger) , WA 98233

**Free
Admission
Rain or Shine**

Friday Creek Habitat Stewards, Chuckanut Transition and the Skagit Conservation District have put together an area garden tour highlighting gardens that are beautiful and bountiful while providing healthy habitat and economic opportunity in the Samish Watershed. You can pick up tips on wild crafting natives, growing food in challenging climates, using a greenhouse, edible perennials and much more!
