

Maintenance Techniques and Practices for Subdivision Stormwater and Drainage Systems

A FREE workshop to assist neighborhood associations, business owners, and property owners who are responsible for maintaining a stormwater pond or other stormwater drainage system in their neighborhood

*Learn how to care for detention ponds in your neighborhood.
Course materials will be provided.*

You are invited - please join us!

THURSDAY, OCTOBER 4th, 2012

5:00 p.m. - 8:30 p.m.

**City of Sedro-Woolley, City Council Chambers
325 Metcalf, Sedro-Woolley, WA 98284**

**PLEASE PRE-REGISTER by
Friday, September 28th:**

**Kristi Carpenter, Skagit Conservation District
kristi@skagitcd.org or phone: 428-4313**

Topics include:

- How stormwater management systems work
- How to keep your system in compliance with new regulations
- Step-by-step instructions for routine maintenance to prolong the life of your detention pond, improve its appearance, and prevent flooding and property damage
- How to plan, budget, and assess the neighborhood for upkeep costs
- Basic things all stormwater facility owners should know and do...and, more!

DRESS FOR WEATHER! The event will include a site visit to a nearby stormwater detention pond facility!

Sponsored by:

*Skagit County, the Cities of Anacortes, Burlington, Mount Vernon, and Sedro-Woolley,
and the Skagit Conservation District*
