

# SKAGIT COUNTY

## CALL TO UPDATE THE VENDOR LIST FOR MAINTENANCE MATERIAL AND RENTAL EQUIPMENT

---

The purpose of this Call is to update our Vendor Lists for maintenance materials and equipment the County expects to rent for the time period from June 1st, 2013 to October 31st, 2013. The County will use the Vendor Lists to solicit at least 3 quotes for each item or piece of equipment rented to insure that a competitive price is obtained. When purchasing material or renting equipment, County Representatives will consider cost, location, availability and any other factors that may contribute toward the County obtaining the best value for its money.

---

New vendors with maintenance materials or equipment to rent to Skagit County are requested to fill in the blanks on the attached forms. Please **print** and fill them out completely and accurately using as many sheets as necessary to present all of the material or equipment available. You may enclose a list of additional material or equipment but if the form has not been filled out for the items listed we may assume you don't have them. Vendors who are currently on our Vendor List but have updates to contact person, address, phone number or what they have available, may fill in only the updated information. Additions and updates may be added at any time. Please mail to:

Skagit County Public Works  
Road Maintenance Division  
201 E Avon Avenue  
Burlington, WA 98233

Questions? Please contact Cliff Butler for Equipment Rental or Mike Elde for Maintenance Materials @ 360-755-9531

**Please attach this sheet to the proposals you submit**  
**Return only the pages on which you have submitted a proposal.**

# Maintenance Material

## Vendor List Updates/Additions

Please place an "X" next to any of the following items your company would be interested in supplying for Skagit County. For purchases over \$2,500 annually, three (3) telephone quotes will be obtained before a purchase is made. As per RCW 36.32.256, the County reserves the right to enter into multiple contracts for one maintenance material and in accordance with RCW 43.19.1911, purchases will be based on price, quality of product and availability.
