The method and materials (including forms, bonding materials, epoxy coated steel dowel bars (for pinning) and any other related materials) shall be approved by the Project Engineer prior to beginning construction. Extruded or other slip-based methods are encouraged.

This work will be performed adjacent to, and within, Burlington Northern Santa Fe Railroad (BNSF) right-of-way. See the requirements outlined below, in the Upon Award of Contract section.

Addenda will be forwarded to Contractors on the Plan Holder list via email, and will be posted online at [www.skagitcounty.net/rfp](http://www.skagitcounty.net/rfp). **SIGNATURES:** Bids shall be signed by one of the legally authorized officers of said corporation. If awarded the contract, the Contract shall also be so executed. If a Bid Proposal

or Contract is signed by an agent, the agent shall provide satisfactory evidence of authority to sign as legal representative of Bidder, upon request of Skagit County. An authorized partner of a co-partnership may sign the contract, subject to the approval of the attorney, who may at his discretion, require each and every member of the co-partnership to sign the contract.

**DELIVERY OF PROPOSAL:** Sealed bids will be received by the Board of Skagit County Commissioners. Bids must be received no later than Friday, December 6, 2017 at 3:30 p.m. according to the SKAGIT COUNTY COMMISSIONERS' Reception Desk clock. All bid envelopes must be plainly marked on the outside, "Sealed Bid: Maintenance of Restoration Projects".

Hand-deliver or Mail to:  
Skagit County Commissioners  
1800 Continental Place, Suite 100  
Mount Vernon, WA 98273

It is the Contractor's responsibility to allow enough time for delivery to occur before the designated time. Quotations delivered to locations other than as indicated above or received after the designated time will not be accepted. Incomplete proposals cannot be considered. Oral, telephonic, telegraphic, electronic, or faxed proposals will not be accepted.

Skagit County reserves the right to reject any or all bids, waive informalities, and make the award in the best interest of Skagit County. Quotation results and questions pertaining to this project can be obtained by calling Emily Derenne, Restoration Habitat Specialist, at (360) 416-1449.

Bids remain confidential and no information about bids is released until the public information of the bids is otherwise available.

**WITHDRAWAL OR REVISION OF PROPOSAL:** After submitting a Bid Proposal to the Contracting Agency, the Bidder may withdraw or revise if:

1. The Bidder submits a written request signed by an authorized person, and
2. The Contracting Agency receives the request before the time for opening Bids.

The original Bid Proposal may be revised and resubmitted as the official Bid Proposal, if the Contracting Agency receives it before the time for opening Bids.

**BID BOND/GUARANTY:** No bid will be considered unless accompanied by a surety company bid bond, Cashier's or certified check payable to the order of Skagit County for a sum not less than five percent (5%) of the estimated bid amount. Should the successful bidder fail to enter into such contract, the bid bond will be forfeited to Skagit County.

**NON-COLLUSION:** Submittal and signature of the non-collusion certificate confirms the bid is genuine and not a sham or collusive, and not made in the interest of any person not named, and that the Contractor has not induced or solicited others to submit a sham offer, or to refrain from proposing.

**CONSIDERATION OF BIDS:** After opening and reading proposals, the Contracting Agency will check them for correctness of extensions of the prices per unit and the total price. If a discrepancy exists between the price per unit and the extended amount of any bid item, the

price per unit will control. The total of extensions, corrected where necessary, will be used by the Contracting Agency for Award purposes and to fix the amount of the Contract Bond.

The right is reserved by the Contracting Agency to waive informalities in the bidding, accept a Proposal of the lowest responsible Bidder, reject any or all Bids, republish the call for Bids, revise or cancel the Work, or require the Work to be done in another way, if the best interest of the Contracting Agency is served.

A Bidder who wishes to claim error after the Bids have been opened and read as required by RCW 47.28.090 shall promptly notify the Contracting Agency that an error occurred. The Bidder shall submit a notarized affidavit or declaration under penalty of perjury signed by the Bidder and accompanied by the work sheets used in the preparation of the Bid, requesting relief from the responsibilities of Award. The affidavit or declaration shall describe the specific error(s) and certify that the work sheets are the ones used in preparing the Bid.

The affidavit or declaration shall be submitted no later than 4:30 p.m. on the first business day after Bid opening or the claim will not be considered. The Contracting Agency will review the affidavit or declaration and the certified work sheets to determine the validity of the claimed error and if the error is of the kind for which the law allows relief from forfeiture of the Bid deposit. If the Contracting Agency concurs in the claim of error and determines that the error is of the kind which allows relief from forfeiture, the Bidder will be relieved of responsibility and the Bid deposit of the Bidder will be returned. If the Contracting Agency does not concur in the error or determines that the error is not the kind for which the law allows relief, the Contracting Agency may Award the Contract and if the Bidder refuses to execute the Contract, the Bidder's Bid deposit shall be forfeited as required by RCW 47.28.100. RCW 39.04.107 applies, thereafter.

**NON-RESPONSIVE BID:** Any bid that does not comply with these instructions, is not signed, supplements or deviates from the specifications herein, or is incomplete, may be declared non-responsive by Skagit County and not further considered.

**TIED BIDS:** After opening Bids, if two or more lowest responsive Bid totals are exactly equal, then the tie breaker will be determined by drawing as described in Section 1-03.1(1) of the 2016 WSDOT Standard Specifications. Two or more slips of paper will be marked as follows: one marked "Winner" and the other(s) marked "unsuccessful". The slips will be folded to make the marking unseen. The slips will be placed inside a box. One authorized representative of each Bidder shall draw a slip from the box. Bidders shall draw in alphabetical order by the name of the firm as registered with the Washington State Department of Licensing. The slips shall be unfolded and the firm with the slip marked "Winner" will be determined to be the successful Bidder and eligible for Award of Contract. Only those Bidders who submitted a Bid total that is exactly equal to the lowest responsive and responsible Bids are eligible to draw.

**IRREGULAR PROPOSALS:**

1. A Proposal will be considered irregular and *will* be rejected if:
  - a) The Bidder is not prequalified
  - b) The authorized Proposal form furnished by the Contracting Agency is not used or is altered
  - c) The completed Proposal form contains any unauthorized additions, deletions, alternate Bids, or conditions
  - d) The Bidder adds provisions reserving the right to reject or accept the Award or enter into the Contract
  - e) A price per unit cannot be determined from the Bid Proposal
  - f) The Proposal form is not properly executed

- g) The Bid Proposal does not constitute a definite and unqualified offer to meet the material terms of the Bid invitation.
- 2. A proposal may be considered irregular and *may* be rejected if:
  - a) The Proposal does not include a unit price for every Bid item
  - b) Any of the unit prices are excessively unbalanced (either above or below the amount of a reasonable Bid) to the potential detriment of the Contracting Agency
  - c) Receipt of Addenda (if applicable) is not acknowledged
  - d) A member of a joint venture or partnership and the joint venture or partnership submit Proposals for the same project (in such an instance, both Bids may be rejected)
  - e) Proposal form entries are not made in ink or typed.

**DISQUALIFICATION OF BIDDERS:** As stated in Section 1-02.14 of the 2016 WSDOT Standard Specifications, a bidder may be deemed not responsible and their proposal rejected if:

- 1. the Bidder does not meet the mandatory bidder responsibility criteria, described above and in RCW 39.04.350(1), as amended; or
- 2. more than one proposal is submitted for the same project from a Bidder under the same or different names; or
- 3. evidence of collusion exists with any other Bidder or potential Bidder. Participants in collusion will be restricted from submitting further bids; or
- 4. the Bidder, in the opinion of the Contracting Agency, is not qualified for the work or to the full extent of the bid, or to the extent that the bid exceeds the authorized prequalification amount as may have been determined by a prequalification of the Bidder, or
- 5. an unsatisfactory performance record exists based on past or current Contracting Agency work or for work done for others, as judged from the standpoint of conduct of work; workmanship; progress; affirmative action; equal employment opportunity practices; termination for cause; or Disadvantaged Business Enterprise, Minority Business Enterprise, or Women's Business Enterprise utilization; or
- 6. there is uncompleted work (Contracting Agency or otherwise), which in the opinion of the Contracting Agency might hinder or prevent the prompt completion of the Work bid upon; or
- 7. the Bidder failed to settle bills for labor or materials on past or current contracts, unless there are extenuating circumstances acceptable to the Contracting Agency; or
- 8. the Bidder has failed to complete a written public contract or has been convicted of a crime arising from a previous public contract, unless there are extenuating circumstances acceptable to the Contracting Agency; or
- 9. the Bidder is unable, financially or otherwise, to perform the work, in the opinion of the Contracting Agency; or
- 10. a Bidder is not authorized to do business in the state of Washington; or
- 11. there are any other reasons deemed proper by the Contracting Agency.

**PROTESTS:** Protests will be in accordance with all RCWs, as applicable.

## **AWARD OF CONTRACT**

**CONDITION OF AWARD:** It is the intent of Skagit County to award a contract to the lowest responsive and responsible bidder. The Board of Skagit County Commissioners reserves the right to reject any or all bids for cause, and to waive minor irregularities in the bidding.

**ACCEPTANCE OF AWARD:** If awarded, the Contractor is deemed to have agreed to all Addenda, Bid Instruction to bidders, General and Contract Provisions, Scope of Work, Specifications, Contract, and all other related documents.

**COORDINATION OF DOCUMENTS:** Any inconsistency in the parts of the Contract shall be resolved by following this order of precedence (e.g., 1 presiding over 2, 3, 4, 5, 6, and 7; 2 presiding over 3, 4, 5, 6, and 7; and so forth):

1. Addenda,
2. Proposal Form,
3. Special Provisions,
4. Contract Plans,
5. Amendments to the Standard Specifications,
6. Standard Specifications, and
7. Standard Plans.

On the Contract Plans, Working Drawings, and Standard Plans, figured dimensions shall take precedence over scaled dimensions.

This order of precedence shall not apply when Work is required by one part of the Contract but omitted from another part or parts of the Contract. The Work required in one part must be furnished even if not mentioned in other parts of the Contract.

Whenever reference is made in these Specifications or the Special Provisions to codes, rules, specifications, and standards, the reference shall be construed to mean the code, rule, specification, or standard that is in effect on the Bid advertisement date, unless otherwise stated or as required by law.

If any part of the Contract requires Work that does not include a description for how the Work is to be performed, the Work shall be performed in accordance with standard trade practice(s). For purposes of the Contract, a standard trade practice is one having such regularity of observance in the trade as to justify an expectation that it will be observed by the Contractor in doing the Work.

In case of any ambiguity or dispute over interpreting the Contract, the Engineer's decision will be final as provided in 2016 WSDOT Standard Specifications Section 1-05.1.

## **CONTRACT**

**EXECUTION OF CONTRACT:** Successful bidder is allowed a maximum of ten (10) calendar days after the award date to return the signed contract, contract bond, all required insurance certifications, and any other required documentation as specified in this document.

**CONTRACT DOCUMENTS:** The Addenda, Bid Proposal, General and Contract Provisions and Specifications, and Contract, shall be a part of and constitute the Contract entered into by Skagit County and successful Bidder. In the event there is discrepancy between any of the foregoing contract documents, the above order of documents governs so that the former prevails over the latter.

**CONTRACT BOND:** The successful Bidder shall provide an executed contract bond for the full contract amount. This contract bond shall:

1. Be on a Contracting Agency-furnished form;
2. Be signed by an approved Surety (or Sureties) that:
  - a. Is registered with the Washington State Insurance Commissioner, and
  - b. Appears on the current Authorized Insurance List in the State of Washington published by the Office of the Insurance Commissioner,
3. Be conditioned upon the faithful performance of the contract by the Contractor within the prescribed time;
4. Guarantee that the Surety shall indemnify, defend, and protect the Contracting Agency against any claim of direct or indirect loss resulting from the failure:
  - a. Of the Contractor (or any of the employees, subcontractors, or lower tier subcontractors of the Contractor) to faithfully perform the contract, or
  - b. Of the Contractor (or the subcontractors or lower tier subcontractors of the Contractor) to pay all laborers, mechanics, subcontractors, lower tier subcontractors, material or any other person who provides supplies or provisions for carrying out the work;

The Contracting Agency may require Sureties or Surety companies on the Contract Bond to appear and qualify themselves. Whenever the Contracting Agency deems the Surety or Sureties to be inadequate, it may, upon written demand, require the Contractor to furnish additional Surety to cover any remaining work. Until the added Surety is furnished, payments on the Contract will stop.

**RETAINAGE:** RCW 60.28.011 states that public improvement contracts shall provide, and public bodies shall reserve, contract retainage not to exceed five percent (5%) of the moneys earned by the contractor as a trust fund for the protection and payment of:

1. The claims of any person arising under the Contract; and
  - a) The State with respect to taxes imposed pursuant to Title 82 RCW, which may be due from such Contractor.

At the option of the Contractor, the monies reserved shall be:

1. Retained in a custodial fund by Skagit County (non-interest bearing)
2. Deposited by Skagit County in an escrow (interest bearing) account in a bank or savings and loan institution (interest on monies so retained will be paid to the Contractor). Deposits are to be made in the name of the Contracting Agency and are not allowed to be withdrawn without the Contracting Agency's written authorization. The Contracting Agency will issue a check representing the sum of the monies reserved, payable to the bank or trust company. Such check shall be converted into bonds and securities chosen by the Contractor as the interest accrues.

At the time the Contract is executed the Contractor shall designate the option desired. The Contractor in choosing option (2) agrees to assume full responsibility to pay all costs that may

accrue from escrow services, brokerage charges for both and further agrees to assume all risks in connection with the investment of the retained percentages in securities. The Contracting Agency may also, at its option, accept a retainage bond in lieu of retainage.

The retained percentage will be released sixty (60) days following the Completion Date provided all of the following conditions have been satisfied:

1. On Contracts totaling more than \$35,000, a release has been obtained from the Washington State Department of Revenue.
2. The Contractor and all Subcontractor(s) files with the Department of Labor and Industries an "Affidavit of Wages Paid" and the approved document is received by Skagit County.
3. A certificate of Payment of Contributions Penalties and Interest on Public Works Contract is received from the Washington State Employment Security Department.
4. All claims, as provided by law, filed against the retainage have been resolved. In the event claims are filed and provided the conditions of 1, 2, 3, and 4 are met, the Contractor will be paid such retained percentage less an amount sufficient to pay any such claims together with a sum determined by the Contracting Agency sufficient to pay the cost of foreclosing on claims and to cover attorney's fees.
5. The Contractor has obtained a certificate showing that all contract-related taxes have been paid from the Washington State Department of Revenue.

**INSURANCE:** Contractor shall comply with the following conditions and procure and keep in force during the term of this Agreement, at Contractor's own cost and expense, the following policies of insurance with companies authorized to do business in the State of Washington, which are rated at least "A" or better and with a numerical rating of no less than seven (7), by A.M. Best Company and which are acceptable to the County.

1. Commercial General Liability Insurance on an occurrence basis in an amount not less than \$1,000,000 per occurrence and at least \$1,000,000 in the annual aggregate, including but not limited to: premises/operations (including off-site operations), blanket contractual liability and broad form property damage.
2. Business Automobile Liability Insurance in an amount not less than \$1,000,000 per occurrence, extending to any automobile.
3. Workers' Compensation Insurance as required by Washington law and Employer's Liability Insurance (Stop Gap) with limits not less than \$1,000,000 per occurrence. If the County authorizes sublet work, the Contractor shall require each Subcontractor to provide Workers' Compensation Insurance for its employees, unless the Contractor covers such employees.

The above liability policies shall contain a provision that the policy shall not be canceled or materially changed without thirty (30) days prior written notice to the County. No cancellation provision in any insurance policy shall be construed in derogation of the continuous duty of the Contractor to furnish the required insurance during the term of this Agreement.

Upon written request by the County, the insurer or his/her agent will furnish, prior to or during any Work being performed, a copy of any policy cited above, certified to be a true and complete copy of the original.

**ADDITIONAL INSURED:** Prior to the Contractor performing any Work, Contractor shall provide the County with a Certificate of Insurance acceptable to the County Attorney evidencing the above-required insurance and naming Skagit County, its officers, employees and agents as

Additional Insureds on the Commercial General Liability Insurance policy and the Business Automobile Liability Insurance policy with respect to the operations performed and services provided under this Agreement and that such insurance shall apply as primary insurance on behalf of such Additional Insureds. Skagit County shall be named as an Additional Insured by endorsement using ISO Form CG 2010 or equivalent. Receipt by the County of any certificate showing less coverage than required is not a waiver of the Contractor's obligations to fulfill the requirement.

The insurance policies required in this Contract are to contain and be endorsed to contain the following provisions:

With respect to all Liability Policies:

Skagit County its officers, officials, employees, and agents and volunteers are named as additional insured's as respects liability arising out of activities performed by or on behalf of the Contractor in connection with this Contract.

Any insurance and/or self-insurance maintained by Skagit County, its officers, officials, employees, agents and consultants shall not contribute with the Contractor's insurance or benefit the Contractor in any way.

An additional insureds endorsement template can be provided by Skagit County, upon request.

**PUBLIC WORKS PROJECT – PREVAILING WAGE:** If awarded the project, the Contractor and each Subcontractor shall complete or have on file with the County a current "Statement of Intent to Pay Prevailing Wages" before payment will be made for work performed. An "Affidavit of Wages Paid" shall be required at the end of the project, before final payment is authorized. These forms are available from Washington State Department of Labor & Industries and can be filed electronically at <http://www.lni.wa.gov/TradesLicensing/PrevWage>.

**LICENSES AND PERMITS:** Contractor shall procure all permits and licenses, pay all charges, fees and taxes, and give all notices necessary and incidental to the due and lawful prosecution of the work. Contractors awarded a County Contract are responsible for compliance with Washington State Business License regulations. Contractors must also carry appropriate and valid Washington State Department of Agricultural herbicide licenses for aquatic and terrestrial environments.

5. Not be disqualified from bidding on any public works contract under RCW 39.06.010 or RCW 39.12.065(3).
6. Verify these responsibility criteria for every lower tier subcontractor at the time of subcontract execution; and,
7. Include these responsibility criteria in every lower tier subcontract.

**CHANGES/AMENDMENTS:** Skagit County reserves the right to add or delete work, items, agencies, or locations from this contract, subject to appropriate adjustments to the Contract price. Added items, agencies, or locations will be related to those on contract, and additions or deletions will be by mutual agreement, with prices consistent with the original bid price margins, and evidenced by an amendment to the Contract. The execution of an amendment shall constitute a waiver of Claims by the Contractor arising out of the Work to be performed or deleted pursuant to the amendment, except as specifically described in the amendment. General reservations of rights will be deemed waived and void.

**WARRANTY OF WORK:** In summary, Contractor hereby warrants that all of the work, materials or equipment furnished under this Contract will fully meet all requirements for quality of workmanship, materials, strength and any and all other requirements of the specifications. The Contractor shall remedy any defects in the work and pay for any damage to other work resulting there from, which shall appear within a period of one year from the date of final acceptance of the work unless a longer period is specified. Skagit County will give notice of observed defects with reasonable promptness. The guarantee period shall be suspended from the time a significant defect is first documented by Skagit County until the work or equipment is repaired or replaced by the Contractor and accepted by Skagit County. In the event that fewer than 90 days remain in the guarantee period after acceptance of such repair or replacement (after deducting the period of suspension above), the guarantee period shall be extended to allow for at least 90 days guarantee of the work from the date of acceptance of such repair or replacement.

**MATERIAL APPROVAL:** All materials are in accordance with Specifications. Any substitutions of products are subject to Skagit County's prior approval, and, if rejected, are held subject to the Contractor's risk and expense.

**EQUAL OPPORTUNITY AND NONDISCRIMINATION:** Hiring or employment made possible or resulting from this Contract, there shall be no unlawful discrimination against any employee or applicant for employment because of sex, age, race, color, creed, national origin, marital

status or the presence of any sensory, mental, or physical handicap, unless based upon a bona fide occupational qualification. This requirement shall apply to but not be limited to the following: employment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. No person shall be denied or subjected to discrimination in receipt of the benefit of any services or activities made possible by or resulting from this contract on the grounds of sex, race, color, creed, national origin, age, (except minimum age and retirement provisions), marital status, or in the presence of any sensory, mental, or physical handicap.

**FAILURE TO EXECUTE CONTRACT:** Upon failure to return the performance and payment bonds, insurance certifications, and any other required documentation as specified in this document with the signed contract, as required, Skagit County may then award the contract to the second lowest responsive and responsible Bidder, or reject all remaining bids.

**RETURN OF BID BOND/GUARANTY:** Proposal bonds and deposits will be held until the Contract has been properly executed pursuant to RCW 36.32.250. When the Contract has been properly executed, all remaining bonds or deposits, except those subject to forfeiture, will be returned.

## **LEGAL RELATIONS AND RESPONSIBILITIES TO THE PUBLIC**

**COMPLIANCE WITH LAWS:** Contractor shall comply with all applicable federal, state, tribal and local laws, rules, and regulations affecting its performance and hold Skagit County harmless against any claims arising from the violation thereof. No extension of time or additional payment will be made for loss of time or disruption of work caused by any actions against the Contractor for any of the above reasons.

**APPLICABLE LAW AND FORUM:** Except as specifically provided, this Contract shall be governed by and construed according to the laws of the State of Washington. Any suit arising here from shall be brought in Skagit County Superior Court, which forum shall have sole and exclusive jurisdiction and venue.

**APPLICATION OF SALES TAX:** The work on this contract is to be performed upon lands whose ownership obligates the Contractor to pay State sales tax. Department of Revenue Rule 171 applies to this project. This work is not exempt from Sales Tax. The contractor shall include appropriate sales tax as shown on the Bid Proposal. The Contracting Agency will not adjust its payment if the Contractor bases a bid on a misunderstood tax liability.

**DEFENSE & INDEMNITY AGREEMENT:** The Contractor agrees to defend, indemnify and save harmless the County, its appointed and elective officers and employees, from and against all loss or expense, including but not limited to judgments, settlements, attorney's fees and costs by reason of any and all claims and demands upon the County, its elected or appointed officials or employees for damages because of personal or bodily injury, including death at any time resulting therefrom, sustained by any person or persons and on account of damage to property including loss of use thereof, whether such injury to persons or damage to property is due to the negligence of the Contractor, its subcontractors, its elected officers, employees or their agents, except only such injury or damage as shall have been occasioned by the sole negligence of the County, its appointed or elected officials or employees. It is further provided that no liability shall attach to the County by reason of entering into this contract, except as expressly provided herein.

**HOLD HARMLESS:** The Contractor shall hold Skagit County and its officers, agents and employees harmless from all costs, claims or liabilities of any nature including attorneys; fees, costs and expenses for or on account of injuries or damages sustained by any persons or property resulting from the negligent activities or omissions of the Contractor, its agents or employees pursuant to the Contract, or on account of any unpaid wages or other remuneration for services; and if a suit as described above be filed, the Contractor shall appear and defend the same at its own cost and expense, and if judgment be rendered or settlement made requiring payment by Skagit County, the Contractor shall pay the same.

**SAFETY MEASURES:** All work under this Contract shall be performed in a safe manner. Contractor and all subcontractors shall observe all rules and regulations of the Washington State Department of Labor and Industries, rules and regulations of OSHA, WISHA, or any other jurisdiction, and all other applicable safety standards. Contractor shall be solely and completely responsible for conditions of the job site, including safety of all persons and property during performance of the work. This requirement shall apply continuously and not be limited to normal working hours.

Contractor shall exercise every precaution at all times for the prevention of accidents and the protection of persons (including employees) and property. All exposed moving parts of equipment capable of inflicting injury by accidental contact shall be protected with sturdy removable guards, in accordance with applicable safety regulations.

**MUTUAL RESPONSIBILITY OF CONTRACTOR:** If, through acts of neglect on the part of the Contractor, any other Contractor or any subcontractor shall suffer loss or damage on the work, the Contractor agrees to settle with such other Contractor(s) or subcontractor(s) by agreement or arbitration if such other Contractor(s) or subcontractor(s) will so settle. If such other Contractor(s) or subcontractor(s) shall assert any claim against Skagit County account of any damage alleged to have been sustained, Skagit County shall notify Contractor, who shall indemnify and save harmless Skagit County against any such claim.

**TERMINATION FOR BREACH AND/OR DEFAULT:** Skagit County shall be entitled by written notice, to cancel and/or terminate this contract in its entirety or in part, for breach and/or for default of any of the terms and to have all other rights against the Contractor by reason of the Contractors breach, as provided by law.

*Breach: A breach of a term or condition of the Contract shall mean any one or more of the following: (1) Contractor fails to perform the services by the date required or by a later date as may be agreed to in a written amendment to the contract; (2) Contractor breaches any warranty or fails to perform or comply with any term or agreement in the contract; (3) Contractor makes any general assignment for the benefit of creditors; (4) in Skagit County's sole opinion, Contractor becomes insolvent or in an unsound financial condition so as to endanger performance; (5) Contractor becomes the subject of any proceeding under any law relating to bankruptcy, insolvency, reorganization, or relief from creditors and/or debtors; (6) any receiver, trustee, or similar official is appointed for Contractor or any of the Contractor's property; (7) Contractor is determined to be in violation of federal, state or local laws or regulations and that such determination, in Skagit County's sole opinion, renders the Contractor unable to perform any aspect of the contract.*

*Default: A Contractor may be declared in default for failing to perform a contractual requirement or for a material breach of any term or condition.*

Opportunity to Cure Default: In the event that Contractor fails to perform a contractual requirement or materially breaches any term or condition, Skagit County may issue a written or oral notice of default and provide a period of time in which Contractor shall have the opportunity to cure. Time allowed for cure shall not diminish or eliminate Contractor's liability for liquidated or other damages. Skagit County is not required to allow the Contractor to cure defects if the opportunity for cure is not feasible as determined solely by Skagit County. Skagit County may terminate the Contract for nonperformance, breach, or default without allowing the opportunity to cure by the Contractor.

Remedies for Cure of Default: In summary, if the nonperformance, breach or default remains after Contractor has been provided the opportunity to cure, Skagit County may do one or more of the following: (1) exercise any remedy provided by law; (2) terminate this Contract and any related contracts or portions thereof; (3) impose liquidated damages; (4) suspend Contractor from receiving future invitations to bid. Skagit County may procure the articles or services from other sources and hold the Bidder responsible for any excess and expense occasioned thereby, including delay in time, whether foreseeable or unforeseeable.

**TERMINATION FOR PUBLIC CONVENIENCE:** The County may terminate the contract in whole or in part whenever the County determines, in its sole discretion that such termination is in the best interests of the County. Whenever the contract is terminated in accordance with this paragraph, the Contractor shall be entitled to payment for actual work performed at unit contract prices for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this contract by the County at any time during the term, whether for default or convenience, shall not constitute a breach of contract by the County. If sufficient funds are not appropriated or allocated for payment under this contract for any future fiscal period, the County will not be obligated to make payments for services or amounts incurred after the end of the current fiscal period. No penalty or expense shall accrue to the County in the event this provision applies.

**CLAIMS AND DISPUTE RESOLUTION:** A Claim is a demand or assertion by one of the parties seeking, as a matter of right, adjustment of Contract terms, payment of money, extension of time or other relief with respect to the terms of the Contract. A Claim may also include other disputes and matters in question between Skagit County and Contractor arising out of or related to the Contract. Claims must be made in writing. The responsibility to substantiate Claims shall rest with the party making the Claim. A notice of a potential or future Claim does not constitute a Claim. Any Claims of the Contractor against Skagit County for damages, additional payment for any reason, or extension of time, whether under the Contract or otherwise, must be made in strict accordance with the applicable provisions of the Contract. No act, omissions, or knowledge, actual or constructive, of Skagit County shall in any way be deemed a waiver of the requirement for timely written notice and a timely written Claim unless Skagit County provides Contractor with an explicit, unequivocal written waiver.

All claims must be addressed to: Skagit County Engineer, 1800 Continental Place, Mount Vernon, WA 98273.

Contractor shall submit in writing to Skagit County all Claims, within seven (7) days of the event giving rise to the Claim. Written Claim must specify the conditions and requested relief. Skagit County shall consider such Claim and shall meet with the Contractor to confer and attempt to resolve the Claim.

Contractor shall diligently carry on the Work and maintain the Contractor's Construction Schedule during any dispute resolution proceedings, unless otherwise agreed by it and Skagit County in writing.

Mediation: If the Claim is not resolved in the process provided immediately above, neither the Contractor nor any Subcontractor or Supplier of any tier may bring a claim against Skagit County in litigation unless the Claim is first subject to nonbonding mediation before a single mediator under the Voluntary Construction Mediation Rules of the American Arbitration Association. This requirement cannot be waived except by an explicit written waiver signed by Skagit County and Contractor.

Litigation: Contractor may bring no litigation on Claims unless such Claims have been properly raised and considered as provided above. All unresolved Claims of Contractor shall be solved and released unless Contractor complies with the time limits above, and litigation is served and filed within the earlier of (a) 120 days after the day of Substantial Completion designed in writing by Skagit County (provided that a mediation session has occurred as provided above); or (b) 60 days after Final Acceptance.
