**Legal Notice**  
**Request for Qualifications for**  
**Professional Engineering and Environmental Services for the**  
**Skagit River Marblemount Bridge Project #ES40070-5**

**NOTICE IS HEREBY GIVEN** that the Skagit County Public Works Department invites the submittal of written statements of qualifications from consultants interested in providing Professional Engineering and Environmental, services, and other related work for designing and rehabilitating the Skagit River Marblemount Bridge, Bridge No. 40070, Project No. ES40070-5.

**PROJECT DESCRIPTION**

The Skagit River Marblemount Bridge is located on Cascade River Road at MP 0.03 East of State Route 20. The project consists of rehabilitating deficient elements of the existing 92-year-old Skagit River Marblemount Bridge. Improvements include, but are not limited to, gusset plate replacement, cleaning and painting of the bridge, mitigating all areas of pack rust, expansion joint replacement, bearing repair, structural steel repair, repaving of the deck, and approach railing replacement.

The work to be performed by the selected consultant may include, but is not limited to, preparation of the project plans and specifications in compliance with local, state, and federal requirements for the above scope of work, mapping of the bridge defects, structural analysis, environmental permitting, detour planning, cultural resource investigation, and an estimate of construction costs. This assignment may be extended as a multi-phase agreement to include pre-bid support and construction services such as: submittal reviews, RFIs, change orders, inspections, contract close out, and other construction-related tasks.

Construction is anticipated to begin in 2025. To assist in preparing your statement of qualifications, the following materials have been provided on the Skagit County website: <http://www.skagitcounty.net/rfp>
