3 Culvert Bundle - RFQ Questions

Date: June 4, 2024

No.	Question or Remark	Response
1	Unable to find the RFQ on the County website	The RFQ is now available online.
2	Some links on the website seem to be incorrect.	Thank you for the feedback, the links have since been corrected.
3	Unable to find the "Skagit Basin Barrier Culvert Analysis: Public and Private Crossings" report referenced in the RFQ.	The report was posted under a different name on the website. It has since been corrected to be consistent with the RFQ.
4	Are there any elements that can be excluded from the page count? For example, can personnel resumes be included as appendices?	Any appendices or additional documents included in the submittal will be included in the total sheet count. Excluding the coversheet, the entirety of the submittal must be 6 (six) single-sided sheets.
5	Does the County want staff resumes included in the proposal?	Please refer to the <i>Consultant Evaluation Criteria</i> section of the RFQ to determine which information to include or omit from your submittal.
