North Fruitdale Road - RFQ Questions
Date: July 16, 2024

No.	Question or Remark	Response
1	We would like to know if the six-page limit includes resumes for the North Fruitdale Road RFQ	Yes. Your entire submittal, excluding the cover page, should be no more than 6 pages. Please refer to the Evaluation Criteria section of the RFQ to determine what information to include or omit.
2	Is it your preference that one firm/Team provide all the required services or would you accept an SOQ for right of way services only?	The County is advertising for a firm, or team of firms, that can provide all of the services listed in the RFQ.
3	What can you tell us about the volume and type of traffic on North Fruitdale Rd.?	The ADT near the project site is 458 with the following FHWA Vehicle Classification breakdown: 309 class 2, 113 class 3, 6 class 4, 25 class 5, 4 class 6, and 1 class 13.
4	Could you provide figures, photos, or any more information about the project site? It would be helpful for us to develop an accurate conceptual approach	The County is not providing any figures or photos at this time. We encourage prospective proposers to conduct a virtual or physical site visit. The project coordinates are 48.55544, -122.21138.
5	The RFQ mentioned a disaster event. Can we expand on the major cause? Was it from significant runoff, seismic activity, other outside forces?	During a high-water flooding event in November of 2021, the embankment of North Fruitdale Road experienced a slide. This failure occurred due to toe erosion from Hansen Creek.
