ADDENDA

If Skagit County issues addenda to these instructions, bidders must acknowledge receipt of all addenda on the bid proposal. It is the bidder's responsibility to ensure that they have received all addenda, although Skagit County will make reasonable effort to provide addenda to all plan holders. Failure to sign the acknowledgement of each addendum may result in rejection of the bid. It is strongly recommended that each potential bidder asks to be added to the plan holders list to ensure that they are notified should an addendum be issued.

ORDER OF PRECEDENCE

The complete contract includes these parts: the contract form, bidders completed proposal form, contract plans, contract provisions, addenda, various certifications and affidavits, supplemental agreements. These parts complement each other in describing a complete work. Any requirement in one-part binds, as if stated, in all parts. The Contractor shall provide any work or materials clearly implied in the contract even if the contract does not mention it specifically. Any inconsistency in the parts of the contract shall be resolved by following this order of precedence (e.g., 1 presiding over 2, 3, 4; 2 presiding over 3, 4; 3 presiding over 4):

1. Addenda,
2. Proposal Form,
3. Contract Provisions and Specifications

This order of precedence shall not apply when work is required by one part of the contract but omitted from another part or parts of the contract. The work required in one part must be furnished even if not mentioned in other parts of the contract.

If any part of the contract requires work that does not include a description for how the work is to be performed, the work shall be performed in accordance with standard trade practice(s). For purposes of the contract, a standard trade practice is one having such regularity of observance in the trade as to justify an expectation that it will be observed by the Contractor in doing the work.

In case of any ambiguity or dispute over interpreting the contract, the Engineer's decision will be final.

NON-RESPONSIVE BID

It is the intent of Skagit County to award a contract to the lowest responsive and responsible bidder.
