Questions and Answers Request for Qualifications for Professional Engineering, Environmental, and Right of Way Services for the Little Coal Creek Culvert Replacement (Minkler Rd) County Project No. EO212-323; FEMA Project No. 673763

1. **Question:** Will a front cover count as part of the 7-page count.

Answer: Yes, a front cover would count as a page. The Submittal package shall not exceed a total of seven (7) pages (single-sided, letter-size) stating qualifications.

2. **Question:** Will the cover letter count as part of the 7-page count. We noticed it doesn't have points assigned to it, so we wanted to double check.

Answer: Yes, the cover letter counts as a page. The Submittal package shall not exceed a total of seven (7) pages (single-sided, letter-size) stating qualifications.

3. **Question:** It's a FEMA and the assumption is that an alternatives analysis will be required, but it isn't specifically noted in the RFQ, will an alternatives analysis be part of this project?

Answer: Yes, an alternatives analysis will be part of this project.

4. **Question:** Would it be possible to get the application materials that were provided to FEMA for the funding?

Answer: The documents included in the application materials provided to FEMA can be found on the FTP site linked below.
