Bid Opening: Wednesday, May 28, 2025 Time: 4:00 p.m. Project Manager: Leanne Ingman, Natural Resources Technician

/ #	Questions:	Answers:	Received:
1	Is there a scheduled site visit?	We do not have one scheduled at this time. We are waiting on confirmation from the landowner. EDIT: Site visit scheduled for May 19, 2025 at 1pm	4/25/25 Edit 5/1/25
2	Access to site?	There is a 10 ft gate but a t-post and hog panel can be removed to gain a couple more feet. Last November the landowner had dump trucks coming in through the same access.	5/19/25 (pre-bid site visit)
3	Tying into drainage system.	The drain is perforated pipe with drain rock. The point where the roof drain would tie in is about 4ft deep.	5/19/25 (pre-bid site visit)
