

**SKAGIT COUNTY
DETERMINATION OF NON-SIGNIFICANCE
PROPOSED SKAGIT COUNTY 2010 CLIMATE ACTION PLAN**

Description of Proposal: Adoption of the Skagit County 2010 Climate Action Plan (CAP). The Skagit County 2010 Climate Action Plan (CAP) directs staff to implement internal energy and resource conservation methods, and to implement various outreach programs to reduce community energy use and greenhouse gas emissions.

Location of Proposal: This is a non-project proposal located throughout the whole of Skagit County.

Lead Agency: Skagit County Planning & Development Services

Threshold Determination: Skagit County has determined that this non-project action does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

This determination of non-significance (DNS) is issued under WAC 197-11-970; no comment period is associated with this determination. Pursuant to SCC 14.12.210, no administrative appeal process is available for this legislative action.

Comments: Please direct any comments concerning this threshold determination to:
