PAY YOUR TAXES BY AUTOPAY

Skagit County is pleased to be able to offer you **Automatic Withdrawal of Property Tax Payments** from your United States checking or savings account. The Autopay plan is dependable, flexible, convenient, easy, and secure.

How the Plan Works: List the Property IDs to be enrolled in the box at the right. Provide the required information and **return the completed form to our office by the stated deadlines.** You will receive an enrollment confirmation letter from us within 30 days of our receipt of the authorization form.

Then on April 30 and October 31, or the next business day should these dates fall on a weekend, your tax payment will be made automatically for the amount shown on your tax payment coupon(s). If you choose to pay the full year, this will be withdrawn on April 30. If you have already signed up for Autopay, please disregard this form, or use it to update your information, if necessary.

Property tax accounts that are paid by mortgage company escrow accounts are NOT qualified for enrollment in Autopay. Please verify your lender does not pay your property taxes before submitting this form to our office.
