How To Read Your Property Tax Statement

The Skagit County Treasurer's Office sends all property owners an annual property tax statement electronically or by mail every February. Property owners have an option to sign up for electronic tax statements and the instructions to enroll are included with your mailed tax statement. Please note that our office does not mail property tax statements to your mortgage or escrow company. Late payments will accrue interest and penalty as prescribed by RCW 84.56.020.

The annual property tax statement is one sheet of paper with 4 parts:

Part 1 - The **top portion** of your statement is yours to retain for your tax records. This portion contains detailed tax distribution information for both voted and non-voted taxing district levies. Your total tax is calculated by multiplying the total assessed value by the total levy rate, plus special assessments. Also included on this portion is the property's physical address, legal description, assessed value, and total annual tax amount. For questions regarding the assessed value of your property please contact the Assessor's Office by email at assessor@co.skagit.wa.us or call (360) 416-1780.
