SKAGIT COUNTY TREASURER: JACKIE BRUNSON

Responsibilities of the Treasurer:

The Skagit County Treasurer's Office is a regional service for about 80 local government districts. We operate under State Law to provide cash custody, investment, revenue collection, and debt payment services to those districts.

Our office responsibilities also include but are not limited to the processing of all real estate excise tax transactions for property transfers; calculation and collection of advance property tax for personal property accounts; issuance of mobile home movement certificates for any mobile home moving within the county or out of county/state; foreclosure and distraint action on delinquent tax accounts.

Property Tax Most Frequently answered question:

Property taxes are due when billed, but you can choose to split your property taxes into two installments, the first installment must be received by April 30 and the second installment must be received by October 31. If the property tax is less than \$50.00, the full year must be paid by April 30. (RCW 84.56.020)
