

## IMPORTANT NOTICE TO ALL LIBRARY PATRONS DISCONTINUATION OF COPY/PRINT SERVICES

To our esteemed Law Library Patrons,

The Law Library Board of Trustees regrets that we needed to discontinue our copier services. **April 13, 2026 will be the last day that we can offer copier service** to our patrons here at the Law Library. We understand that the copier served many of your needs and assisted with your ability to present your cases in court. We also needed to balance the many needs that you have, such as access to up-to-date legal resources in book form and online. When reflecting on how to best support your needs we looked to the newly opened and state-of-the-art Mount Vernon Library as a resource for copy services. Please know that we value you and want to support you. Thank you for being a part of our Skagit valley community and supporting our Law Library. We appreciate you!

Melissa Simonsen, Director of the Law Library Board
