

# Updated Clean Energy Advisory Group Meeting Agenda

July 17, 2026 from 9-noon

Skagit Public Utility District Aqua Room, 1415 Freeway Drive, Mount Vernon

**Purpose:** *To provide policy guidance to County staff in drafting a recommended Clean Energy Code. Code amendments will include siting criteria and create a more efficient permitting process for clean-energy projects and will assess impacts, mitigation, identify suitable areas for development and result in predictable permitting for the community and clean energy developers alike.*
