

Clean Energy Advisory Group Meeting Agenda

August 7, 2026 from 9-noon

Skagit Public Utility District Aqua Room, 1415 Freeway Drive, Mount Vernon

Purpose: *To provide policy guidance to County staff in drafting a recommended Clean Energy Code. Code amendments will include siting criteria and create a more efficient permitting process for clean-energy projects and will assess impacts, mitigation, identify suitable areas for development and result in predictable permitting for the community and clean energy developers alike.*

9:00-10:00 Welcome / Introductions
Review Agenda / Action Items from Prior Meeting
Kimley-Horn begins Presentation on Code Development
and Review Process / CEAG Focus Areas / Overview of Uses
