

Clean Energy Siting and Permitting

Small Group Meeting Agenda

September 11, 2026 from 1-3pm

Skagit Public Utility District Aqua Room, 1415 Freeway Drive, Mount Vernon

Purpose: *To provide input to County staff regarding a recommended Clean Energy Code. Code amendments will include siting criteria and create a more efficient permitting process for clean-energy projects and will assess impacts, mitigation, identify suitable areas for development and result in predictable permitting for the community and clean energy developers alike.*
