## PaintCare: Free Paint Recycling!

Leftover paint should not be thrown out with regular garbage.  
Now leftover paint can be recycled for free thanks to PaintCare!

### What Does this Include?

- Interior and exterior architectural paints: latex, acrylic, oil-based, enamel
- Deck coatings, floor paints
- Primers, sealers, undercoaters
- Stains, shellacs, lacquers, varnishes, urethanes
- Waterproofing sealers and repellents
- Metal coatings, rust preventatives
- Field and lawn paints

### How Do I Recycle?

- Keep paint in original container with label
- Secure in vehicle and drive to drop-off location
- Call ahead to confirm amounts and limits (often 5-10 gallons/max per visit)

### Where Can I take it?

- Find a participating location: [www.paintcare.org](http://www.paintcare.org)
- Skagit County Household Hazardous Waste, 360-416-1580
- Karl's Paints, Mount Vernon, 360-336-2855
- Habitat for Humanity Restore, Mount Vernon, 360-428-9402
- Rodda Paint, Burlington, 360-757-0194

### Who Can Use the Program?

- Any household or business in Washington

### What Happens to the Paint?

- PaintCare will ensure your leftover paint is remixed into recycled paint, use as a fuel, made into other products, or properly disposed. (revised 9/20/23)

For More Information visit [www.paintcare.org](http://www.paintcare.org) or call 855-PAINT09
